SCOPE OF WORK

1. The Denali Commission (Commission) is providing a total of \$4,000,000 to the Alaska State Hospital and Nursing Home Association (ASHNHA) for primary care improvements in hospitals. Commission funds and match funds will be managed by the ASHNHA. Each of the hospital recipients has completed all due diligence requirements, including cost share match documentation and compliance with Commission policies as applicable. The project authorizations to this award will identify each hospital recipient; project description; Commission funding; cost share source and amount. Subsequent project authorizations will further define the scope.

All Commission funding is intended for use for the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Commission.

MILESTONES

1. The following milestones are identified as the major steps to be completed as part of the project. "Planned" dates for the first milestone are included here. As part of each progress report, recipients shall update the progress toward meeting these milestones.

Milestones will be added through the project authorization process.

AWARD PERFORMANCE PERIOD

1. The Award performance period is specified on the Notice of Award. This is the period during which Award recipients can incur obligations or costs against this Award.
